

All vacancies in the membership of the board of education caused by death, resignation, or otherwise will be filled in accordance with G.S. 115C-37.1. If the vacating member was elected as the nominee of a political party, then the board will consult with the county executive committee of that party and appoint the person recommended by that party executive committee, if the party executive committee makes a recommendation within 30 days of the occurrence of the vacancy. If the vacating member was not elected as a nominee of a political party (i.e., an unaffiliated candidate elected in an otherwise partisan election), then the board is not required to consult with the county executive committee of any political party and the vacancy will be filled by a person appointed by the remaining members of the board.
