#### Leaders

  - Keep dressing rooms and instrument room clean and organized.
  - Help make sure everyone is on the field or in their seat on time.
- Help students who need assistance with music and/or drill.

- Lead by example.
- If at any time a leader is not fulfilling his/her leadership duties, he/she may be removed from the leadership team.

#### Attendance

Rehearsals and performances are **NOT** optional. In order for this band to be successful, we must have full participation from ALL students at each band-related event. The only absences and tardies that will be excused are sickness, weddings, funerals, and UIL conflicting events. **Work is not an excused absence.** When a conflict arises, let a band director know *immediately*. Students who miss a rehearsal will be required to make up the time missed **and** your grade will be changed accordingly.

#### Tardies

Rehearsal will start at the posted time. A good rule of thumb is to be at the band hall 10 minutes before the start of rehearsal. A student will be counted tardy if they are not ready to play and have all materials in place. The school policy for tardies will be observed.

## **Grades**

Grades will be based on music checks, homework assignments, chair placement audition, performances, evening rehearsals, and daily participation. These requirements must be met in order for the student to pass the course. Any student who is failing any of the requirements may be taken out of the performance group and helped on a remedial level until the student has a passing grade of 70 or above. In addition to daily school attendance, we will be taking attendance at each evening rehearsal, and points will be deducted from the student's grade for each missed rehearsal or tardy.

## **Band Trips**

The band will generally go on a trip every other year, and those students who have completed **ALL** of the requirements will be eligible to participate. To be eligible, students must:

1. Attend and participate in all UIL Contests.
2. Receive 70% or above in band each six weeks.
3. Pay all dues in full by the set deadline.

\*There will possibly be a band trip during the 2018-2019 school year. The UIL Area marching contest has changed the advancing years and this may affect our trip years.

## **School Instruments**

Every student that uses a school instrument must return an "Instrument Check-Out Form." This form states that the instrument should be returned in the same condition given to the student minus normal wear. It is the responsibility of the student to repair any instrument damaged by neglectful acts. If you are interested in purchasing an instrument, we will help you find the right instrument at the right price that works for you.

## **Instrument Room**

Students will be assigned a slot in the instrument room where they can store their instrument and music. Students must keep their instrument slots clean and store their instrument inside the instrument case every day, with the case latched or zipped shut completely.

## **Supplies**

Each student will be provided with enough supplies (reeds, valve/slide oil, gloves, drum sticks) to get them through the school year, provided they take proper care of them. Additional supplies may be purchased through the band directors at a small cost.

Gloves: 1 pair provided each year. Extra pair = \$1.50

Reeds: Up to 2 reeds provided each six weeks. Extra reed = \$3.00 each

Valve/Slide Oil/Cork Grease is provided as needed.

## Uniforms

The uniform consists of the following parts:

Band Shirt, Jacket, Pants (no jeans showing underneath), LONG Black Socks (solid black),  
Marching Shoes

There will be **absolutely no food or drinks** (other than water) allowed while in uniform. Students **must** wear long black socks when in uniform. Students with long hair must have their hair put into a ponytail, French braid, etc. and tucked securely under their hats. ***Students will be charged replacement fees for uniforms that are not returned, permanently stained or torn due to misuse.***

## Rehearsal Procedures
