CONSENT TO PUBLISH

I, THE PARENT/GUARDIAN, CONSENT for my child’s photo/image and name, with teacher and administrator knowledge, to be published in various electronic formats on the district and/or school’s website and in various electronic formats over the Internet; to be included in e-mail communications; or to be utilized in print and/or electronic media in connection with the selected middle school activities (athletics and/or clubs) during his/her years in school. Additionally, some information, i.e., student name, must be shared with sponsoring organizations in order for a student to participate.

I FURTHER UNDERSTAND that if my child participates in a sports activity, club, play, music group (i.e., band, choir, orchestra), or a local, state, or national competition, media coverage of some sort is highly likely. The Marlboro Township K-8 Public Schools has no control over whether the press or a sponsoring organization will photograph my child or use the photographs/videotapes and/or names without the consent and the approval of the school district.

This consent for sports and activities supersedes the district’s Parent Consent to Publish Programs & Activities form that you signed when your child entered middle school.
