May Information Teams Meetings

CECW has adopted using a digital platform to conduct information meetings while we are closed due to COVID-19. We would love for families interested in CECW to join us online for an Information Teams Meeting about what all CEC has to offer! Let friends, family, and neighbors know that we are holding four sessions this month, and they can visit this link for more information or to reserve a spot! Any interested families can also reach out to CECW’s Registrar, Rebecca Bolding, for any questions, concerns, or personalized enrollment help. Be sure to join us next Thursday for our third Information Meeting of May!

New Student Enrollment

CECW’s admissions team is still working hard remotely during the COVID-19 Pandemic to ensure students are enrolled for next school year. Additionally, CECW is still accepting new 6th, 7th, 8th, and 9th graders for the 2020/2021 school year! Click here to begin the Initial Student Application! Let friends and family know about our open enrollment by sending them to our Admissions Page.

Remember, you can earn $100 for every student you refer to CECW! We look forward to seeing new faces next year!
**Elective Choice Packets**

All parents & guardians were sent an Elective Choice Packet via email from our Registrar. The packet is essential to completing student enrollment for the 2020/2021 school year and must be completed and returned to Ms. Bolding no later than Friday, May 29th. All returning students are required to hand in a completed packet in order to return to CECW next year.

Electives are filling up quickly, so get those packets turned in ASAP to secure your student’s top elective choices!

Please reach out to Ms. Bolding immediately if you did not receive your student’s Elective Choice Packet or if you have any questions or concerns regarding its completion. We can’t wait for year two at CECW!

*If your student will not returning to CECW in the fall, you **must** meet with Ms. Bolding to formally withdraw!

**Looking Ahead**

To prevent the summer slide, CECW is working hard to create summer materials for students. Our wonderful teachers are compiling a list of fun, educational websites and activities for students to utilize to keep up with their studies while school is out for the summer. These activities are for students and families to do on their own to continue education until we meet again in August.

Be on the lookout for a completed list of summer materials coming soon!

**Other Important Summer Information:**

- Summer Office Hours: Tuesdays, Wednesdays, and Thursdays from 7:30am-4pm
- Expect bi-monthly newsletters
- Expect monthly updates from Ms. Smith
