

KES

Annual Food Drive

Give a Gift of Love  to help those in need.

We are asking each student to please bring in at least 1 item of food to donate to the local

Hands of Mercy.

Suggested items are canned meats, soups, peanut butter, beans, etc... No glass containers please. We feel this is a wonderful way to teach our students to give back to their community by helping others.

Please bring the can food items to

KES by February 22nd .

Thank you,

KES Faculty and Staff
