Greetings Parent(s)/ Guardian(s) and LoveWorks scholars:

Welcome BACK!!! We sincerely hope that everyone remained warm during our extreme weather conditions this week. It was truly a joyous occasion to see students back in the building. Remember we are more than a school and always here to support our families who may experience struggle. Yet, with the loss of four days, we will make-up 2 of the days to ensure our students are fully prepared to reach and exceed academic and artistic goals!!! We want to remind all parents/ guardians to review our bi-monthly newsletter which provides detailed updates about our school. Over the next two months, we ask that the entire LION COMMUNITY assist us in supporting our students with intense focus. Students are trying extremely hard and we know that they work even harder for a purpose. That purpose is often for family, joy of success/ acknowledgement or simply themselves. As always, it takes a village... no principal, nor teacher or student can be as successful without parents/ guardians, family, and community members. Please review the brief updates and upcoming events below:
