

Tiffin City Schools
Charting The Course for Continuous Improvement Plan
2016-2019

Vision Statement

Great Schools! Great Students! Great Future!

Mission Statement

Tiffin City Schools in partnership with students, families, and community, will create a learning environment where all students will be provided the opportunity to achieve at their full learning potential.

Belief Statements

We believe:

- **Our District should be a source of pride for our community.**
- **Collaboration with parents, students and staff will foster an environment of respect and acceptance.**
- **High expectations are directly related to student achievement.**
- **Our schools should provide the foundation to succeed in a global society.**
- **It is essential for our school system to embrace diversity, creating an environment where everyone feels welcome.**
- **Our schools must be safe, promote a positive learning atmosphere, and be organized around the needs and interests of our students.**
- **Each person has intrinsic value and worth and is a unique individual.**
- **Every student should positively contribute to their community.**
- **Our school will foster an environment of respect and acceptance.**
- **Our schools should provide the technological skills to contribute to a global society.**
- **Our schools should provide the appropriate social skills to thrive in a global society.**
- **Our schools must be safe, physically and emotionally, for a positive learning environment.**
- **Parent, Student, and Staff accountability will foster success.**
- **Every child needs skills in conflict resolution, problem solving, and innovative thought process.**

District Goals

CAREER-BASED EDUCATION

1. To create career exploration/preparation activities at the elementary, middle, and high schools levels.
2. To collaborate with our community for the purpose of career exploration.
3. To offer one-on-one guidance regarding future career aspirations.

STUDENT ACHIEVEMENT

4. To create and maintain a Pre-K - 12 learning environment that meets the diverse needs of all learners.
5. To maximize resources (personnel, programs, materials, funding, etc. ...) so that students are receiving the intervention and/or enrichment necessary to reach their full learning potential.

FACILITY PLANNING

6. To renew the Permanent Improvement levy.
7. To develop and evaluate short and long-term facility needs.

TECHNOLOGY INTEGRATION

8. To further expand our technology rich learning environment that allows for effective implementation of curriculum and prepares students for state standards testing.
9. To continue an ongoing systemic method for securing and maintaining up-to-date technology.
10. To provide targeted technological training to compliment the instructional skills of staff, the cognitive abilities of students, and the functional capabilities of parents and the community.
11. To provide the resources and knowledge to staff, students and parents to navigate safely in a cyber world.
