Dear Amundsen High School Parents:

The safety of your children is among our top priorities, which is why I want to make you aware that Amundsen High School conducted a Lockdown drill at approximately 9:30am. It was an unannounced routine drill that was conducted by the Chicago Police Department. We intentionally practice to prepare students so that they have clear direction and understanding of what steps to take in the case of a real incident.

We always work closely with the Chicago Police Department and the CPS Office of Safety and Security with the goal of maintaining a safe educational environment for our students.

If you have any questions or concerns, please contact me at (773) 534-2320 or at apavichevich@cps.edu. The faculty, staff, and I appreciate your support and cooperation.

Sincerely,

A handwritten signature in black ink that reads 'Anna Pavichevich'.
