Parent/Guardian,

Homer-Center Elementary School is participating in a program called the **Power Pack Program**. This program is a collaboration between the Homer-Center Elementary School and the Indiana County Community Action Program (ICCAP).

The **Power Pack Program** will provide a bag of non-perishable food to children, approximately once a week on a Thursday or Friday afternoon, or before a school vacation. The food will discreetly be given to the classroom teacher and is not intended to be opened until the child is home. This program will be provided at no cost to the families or school district. This program is only open to families who qualify for free or reduced lunches. If you do not qualify, but still feel you have a need, please contact Mrs. Lieb.

To enroll your child in the program, please complete the bottom portion of this sheet and return it to Mrs. Lieb **as soon as possible**. If you have any questions regarding the **Power Pack Program**, contact Mrs. Lieb, the Elementary School Counselor at 724-479-9077 ext. 1116.

Sincerely,

Mr. Stofa and Mrs. Lieb
