

KES Mission, Vision, and Collective Commitments

Mission Statement

Kingston Elementary School develops the whole child academically and socially in a positive learning environment by providing quality learning experiences that engage our students' curiosity while challenging and extending their intellectual capacity.

▶ Vision Statement

Kingston Elementary School will establish the academic and social foundation for all students to reach their full potential as contributing citizens.

KES Collective Commitments

We are committed to...

- ▶ Teach Georgia grade level standards daily using highly effective, evidence-based instructional strategies
- ▶ Provide data-driven instruction by collaboratively developing, implementing, and analyzing common formative and summative assessments aligned to Georgia standards
- ▶ Maximize instructional time daily (bell-to-bell instruction) and provide timely feedback to students
- ▶ Be a positive member of the collaborative team, open to new ideas
- ▶ Encourage parents to become partners in the education process of their child in order to promote academic excellence and citizenship
- ▶ Celebrate growth and achievement that support our mission and vision
- ▶ Implement the components of the Positive Behavioral Intervention and Support (PBIS) model to encourage exemplary behavior and facilitate academic success
- ▶ Educate the whole child by providing the support and challenges needed for each child to meet their expected learning goals
