Science Club

Register at www.whizkidsprograms.com

POP! ZOOM! POW! Explore the scientific method with lots of hands on, messy, exciting science experiments. Kids will conduct experiments, make predictions, record data, and draw conclusions as they dive into the fascinating world of science. At the end, parents will be invited to a Science Showcase where kids will exhibit and explain all they have learned.

K5-2nd grades: Thursday 3:00-4:00

Grossology Club

Register at www.whizkidsprograms.com

Ew! That's DISGUSTING! Perfect for the kids who need a little "gross factor" to get engaged! Kids will learn about and do lots of hands-on activities related to trash, bugs, gross foods, and the human body-including at least one animal part dissection! The club will end with a Grossology Gallery where kids will exhibit and explain all they have learned.

3rd-6th grades: Wednesday 2:00-3:00

Sew Fun

Register at www.sewfunstudios.com/mississippi-jackson

This fun class teaches sewing + design principles through weekly classes. The goal is to celebrate sewing as a contemporary, relevant and creative activity for kids of all ages. With our innovative project-based curriculum we hope to inspire young people to discover the joy of sewing as a lifelong skill and ongoing creative expression.
