MORNING PARKING TRAFFIC FLOW UPDATE

ATTENTION PARENTS/GUARDIANS:

In an effort to increase traffic flow and promote safety during morning drop-off hours, we are asking that parents and guardians adhere to the following guidelines for dropping off students:

1. Proceed all the way to the top drop off lane fronting the office to drop off students.
2. Do not drop off students in the parking tiers (these are designated for student and staff parking).
3. NO PARKING along the curb fronting the office. This is a DROP-OFF ONLY lane.
4. Utilize the DROP-OFF ONLY lane curbside to drop off your students.
5. Do not merge from THRU TRAFFIC lane into DROP-OFF ONLY lane and vice-versa. Cross merging creates significant delays and congestion. If you are in the THRU TRAFFIC lane, you may proceed to the end of the top tier to let out a student.
6. Use caution and watch for students crossing the street.
7. If you have business in the front office, please park in a stall in the top two tiers.

Your cooperation is greatly appreciated. We are continuing to explore options to make drop-off more efficient. Mahalo!
