Facilities

BP 7310

NAMING OF FACILITY

The Governing Board shall name district schools and other district-owned or leased buildings, grounds, and facilities in recognition of:

1. Individuals, living or deceased, and entities that have made outstanding contributions, including financial contributions, to the school community
2. Individuals, living or deceased, who have made contributions of statewide, national, or worldwide significance
3. The geographic area in which the school or building is located

The Board encourages community participation in the process of selecting names.

Any name adopted for any new school shall not be so similar to the name of any existing district school as to result in confusion to members of the community.

Before adopting any proposed name, the Board shall hold a public hearing at which members of the public will be given an opportunity to provide input.

When naming or renaming a district school, building, or facility, the Board may specify the duration for which the name shall be in effect.

Upon request, the Board shall consider planting commemorative trees, erecting monuments, or dedicating buildings, parts of buildings, athletic fields, gardens, or other district facilities, in memory of deceased students, staff members, community members, and benefactors of the district.

The Board prohibits any message, image, or other depiction that advocates or endorses the use of drugs, tobacco, or alcohol, encourages unlawful discrimination against any person or group, or promotes the use of violence or the violation of any law or district policy.

The Board reserves the authority to terminate the naming right if it determines that the grantee, subsequent to receiving the naming right, has engaged in any of the prohibited acts or other criminal or unlawful acts that might bring the district into disrepute.
