# CATERING SERVICES

## DESCRIPTION AND POLICIES

1. Arrangements for a catered event must be made at least 10 business days prior to the event to guarantee availability of staff and menu selections. To make arrangements, contact Carla Escribano, Director of Food and Nutrition Services, at 412-475-6296 or email her at [escribanoc@qvsd.org](mailto:escribanoc@qvsd.org). Catering Event Forms must be completed and returned to Dana Murphy the Wednesday prior to the catering event to ensure we can order the menu selections.
2. A guarantee of the number of guests to be served must be given to the Food Service Director one week prior to the event. Charges for the event will be based on the number guaranteed or the number of guests actually served, whichever is higher.
3. A 72-hour notice of cancellation is required; otherwise charges will be based on number of guests confirmed.
4. The client makes all room reservations/arrangements with the district's Facilities Department. Food Services can assist you with room layouts.
5. After the catering event, we will process an invoice for your records and payment. Please make sure you review the invoice for any errors. Budget codes should be submitted to Food Services as soon as the invoice is processed. The codes will not be submitted to Finance until after the event has taken place.
6. The stated prices in this guide are product prices only. Labor fees will be charged based on current year staff labor rates for preparing the items, set up and clean up. Catering requests for weekends, holidays or in-service days will incur additional charges.
