Junior Reflection Assignment
two pages typed, size 12 font, Times New Roman***

In your first semester course *Sacraments as Privileged Encounters with Jesus Christ*, you learned that Jesus Christ is present to us today in the sacraments, particularly in the Eucharist. Looking at the Christian Service you have performed, develop three specific connections with your experience and/or understanding of the sacraments. In your second semester course, *Life in Jesus Christ*, you will be exploring God's plan for how we are meant to make daily choices. Looking ahead to this course and considering your understanding of what it means to be a Salesian gentleman, discuss three ways in which your service relates to your current understanding of Catholic Morality/ Salesian Spirituality.
