School Description

Principal's Message

Franklin School is a family-oriented school where the enthusiasm, support, and involvement of teachers and parents inspire Franklin students to do their best. Teachers spend countless hours designing learning experiences that are academically challenging to help students successfully achieve Common Core Standards.

In addition to core academic subjects, students at Franklin partake in primary music, instrumental music, and choral music programs. Students in grades 2 through 8 also receive Spanish instruction twice per week. With the support of an active PTC, Franklin students also participate in enrichment activities, such as Starstruck, Art Docent, Leadership, Science Docent, and Garden Docent. At Franklin School, we strive to promote successful learning in a safe and caring environment through the Positive Behavioral Interventions and Support (PBIS) program and school culture building programs.

Franklin Elementary School, in partnership with the community, will continue to work to empower every student to become a life-long learner who is a responsible, productive, and engaged citizen within the community.

Franklin Mission Statement:

The mission of Franklin Elementary School is to provide a safe and supportive environment in which students can develop socially, emotionally, and intellectually whereby they become responsible citizens who contribute positively to the world around them.

District & School Profile

The Loomis Union School District is located in the Town of Loomis, a quaint, family-oriented community. Established in 1850 and incorporated in 1984, Loomis retains its rural character and charm with its large residential lots and custom homes, an old-fashioned downtown, and woodlands with natural streams and rolling hillsides. Loomis is located about 25 miles northeast of Sacramento and is only ten minutes from Folsom Lake and a little over an hour away from either Lake Tahoe or the San Francisco Bay.

Loomis Union School District is comprised of six elementary schools and a charter school, serving students in transitional kindergarten through eighth grade. Franklin School opened its doors for students in 1967. The school is proud to be educating students whose families have chosen the beauty of the Loomis Basin for their home. Franklin School students are fortunate to have a community-centered environment to grow up in. Parents and teachers focus on the needs of the students and work to continually better the "Franklin Community." During 2018-19 school year, 501 students were enrolled at Franklin Elementary.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The school district held a public hearing on August 7, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September, 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Franklin Elementary was originally constructed in 1967 and is comprised of 19 classrooms, 9 portable classrooms, a library/media center, a gym/multipurpose room, a staff/work room, a computer lab, and a cafeteria. School facilities are all up-to-date, clean, safe, and provide adequate space for students and staff.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	73.0	75.0	62.0	66.0	48.0	50.0
Math	69.0	72.0	59.0	58.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the

standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	30.5	32.2	10.2
7	42.9	9.5	

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities	15	13	86.67	23.08

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents and the community are an integral component of the educational program at Franklin Elementary School. There are a multitude of ways parents can volunteer at Franklin: serving as volunteers in the classroom, serving on Site Council, serving on the PBIS committee, and participating in the Parent Teacher Club (PTC). The PTC helps facilitate community activities, raises money to support school enrichment programs, and facilities improvement. Franklin School also benefits from several community partnerships, such as the Loomis Basin Education Foundation, Loomis Lions, and Rotary Club.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Franklin Elementary. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials, and state earthquake standards. The School Site Safety plan is reviewed and updated annually in the fall by the School Site Council and reviewed with staff at the start of the school year. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Shelter in Place drills are held at least twice a year.

Students are supervised before and after school and during recess by staff. Noon Duty Supervisors monitor students during lunch recess. All visitors must sign in at the school office and sign out upon leaving. The designated drop off and pick up area for students is at the front of the school.

Professional Development provided for Teachers

As part of the professional growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, certificated and classified staff. The district offered four staff development days in 2016-2017, five staff development days during the 2017-2018 school year and three staff development days during the 2018-19 school year. During these staff development days staff members are offered professional growth opportunities to expand staff knowledge in curriculum, assessment and instructional strategies.

At the site level, Franklin School offers teachers specific training in Google Apps for Education (GAPE) and Positive Behavioral Intervention & Supports (PBIS) training.

Types of Services Funded

Special Education, Music, Gifted and Talented Education (GATE) enrichment activities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
