

## **Athens City Schools System Inspection and Release of Student Information**

Athens City Schools System will comply with the Regulations and Minimum Standards for Special Education and Early Intervention Programs and Services. Athens City Schools System must permit parents to inspect and review any records directly relating to the children, which are maintained by the school district or by a party acting for the school district. The confidentiality of personally identifiable information is maintained. A parent who believes that information in the education records collected, maintained or used is inaccurate or misleading or violates the privacy or other rights of the child may request the school system to amend the information.

Athens City Schools System shall not release information from education records to participating agencies without parental consent unless authorized to do so under 34 CFR Part 99 (FERPA).
