

Summer Feeding Program Open Sites

The Mitchell County School Nutrition Program is participating in the Summer Feeding Program. Meals will be provided to all children without charge up to age 18. Children will be served regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service. Meals will be provided at the sites and times as follows:

All meals are free of charge. No registration is required for those attending. For too many children, the end of the school year means an end to the regularly scheduled, healthy meals available to them while at school. Many families are struggling to put food on the table and this program is designed to help feed children dealing with difficult financial situations. Children may go on summer break, but hunger doesn't. Summer
