LINCOLN PARK PUBLIC SCHOOLS

Options for Phase 4 & 5 for 2020-2021
PHASE 4

- Two Options:
  - 1. Face to Face instruction
    - 5 Days
    - Required Safety Protocols
  - 2. Full Online
FULL ONLINE OPTION

- The Full-Time Online Learning Opportunity for Lincoln Park Public Schools will be a classroom learning opportunity using quality Lincoln Park Public School teachers, curricula, and programs where students are a member of a virtual classroom.
- Students will receive both synchronous (scheduled time each day) and asynchronous (self-paced) instruction from certified Lincoln Park Public School teachers.
- Students will receive instruction following the LPPS curriculum.
- Instruction will be as close as possible to in-person classroom instruction and will be provided by live instruction and videos.
- Supplementary resources will be used for students to meet students individual needs.
Students at the elementary level will also receive small group instruction.

Students requiring additional assistance at the MS and HS level will receive small group instruction as needed.

Grades and feedback will be given to students.

A Chromebook will be provided for students.

Students will be able to participate in extracurricular athletics and activities.

This program is intended for those students who intend to remain entirely virtual LPPS students through at least the Fall semester.

An application for online learning must be submitted by August 15, 2020.
