Dear Parents / Guardians:

Currently, Governor Ducey and Superintendent Hoffman have closed schools in Arizona due to the COVID-19 virus through April 10<sup>th</sup>. During this time, we are still required to provide basic academic instruction for our students in order for them to receive their high school credits. Teachers will primarily be providing basic online instruction through the students' Google accounts. Each student at Parker High School has a Google account and will need to access it in order to receive their instruction. Depending on the teacher, instruction will be given via Google Docs, Google email, Google classroom, Google Suites, etc. in which can all be accessed throughout the students' Google account. If a student is having difficulty accessing their Google account (can't log on, forgot password) they can contact our school Librarian, Mrs. Rennau ([srennau@parkerusd.org](mailto:srennau@parkerusd.org)), and she will assist them. If a student does not have access to internet or their Google account, they will be able to stop by Parker High School to pick up printed instructional materials. We do ask that you only come to pick up printed materials if students do not have access to internet or their Google account.

Students can expect to have instructional materials posted to their Google Account by Wednesday, March 25<sup>th</sup>. Teachers will upload additional instructional materials periodically.

In addition, all activities and events that were scheduled to take place up to April 10<sup>th</sup>, have been cancelled. All athletic practices are cancelled until we return back to school. Prom has been tentatively rescheduled for April 25<sup>th</sup>. All other events, including Graduation are still scheduled as normal.

Remember, this is a fluid situation. If any changes are made, or the school closure is extended, we will keep you updated by posting on our website, PHS Broncs facebook page, and “One Call Now.” Thank you for being understanding during this unique time.

Sincerely,

*David Daly*
