## WELCOME TO SUMMER KINDERGARTEN!

Summer Kindergarten is held for students entering kindergarten in the Fall of 2019. The purpose of this class is to help students transition from Preschool to Kindergarten.

So why register your kindergartener?

- Students tend to forget a lot during the summer.
- Students get bored during the long break.
- Students will review and practice preschool skills.
- The program is FREE and includes breakfast and lunch!

Critical skills learned in 4K will be reviewed throughout summer school. Children will make projects, sing songs, learn simple finger plays, enjoy recess, and have movement activities.
