HELLO FAMILIES!

My name is Miss Keaney and I am so excited about having your students in my class this year! This is my fourth year at Carrie Ricker and I graduated from the University of New England with a B.S. in Elementary Education and a B.A. in Psychology. I grew up just down the road in Auburn and love being a part of the Carrie Ricker family!

We have a lot of great things planned already for the school year! Being able to involve parents in the classroom is so important to growth for all students. **Open house, on August 26th, from 6-7,** will be a great time for you to come in and see what will be happening in the classroom. The **first day of school is August 28th.**

Feel free to email me at any time with questions prior to school. The first day of school, I will be sending out important information, so please be on the lookout. Have a wonderful summer and I am looking forward to working with you to provide the best education for your child.

Sincerely, Nicole Keaney

MISS KEANEY'S SUPPLIES LIST

Here are a few of the supplies that we use in class during third grade. Please take a few minutes to **put your student's name on their personal materials** so that if they are misplaced they will find their way back to them.

- Pencils
- Crayons
- Large Glue Stick
- Colored Pencils
- Pencil pouch to hold all the above materials.
- Erasers
- Highlighter
- Dry erase markers
- 1" binder (Please not a bulky one, make sure there are pockets in the front and back)
- 5 subject dividers for the binder with pockets
- 1 Wide-ruled notebook
- A sturdy plastic 2 pocket folder to use as a take home folder
- Comfortable headphones to use during computer time
-

Please make sure all the writing utensils fit in a pencil box or pouch as students will travel between classrooms often and will usually bring supplies with them. I will have some ideas at the open house if you want to donate materials to the classroom and any of the above supplies are needed as well.

Please know that Carrie Ricker makes sure that all students are able to have access to the materials they need to learn, so **these materials are a suggestion, not a requirement**, and if students do not bring supplies, they will be provided to them.
