

Suicide Prevention Training Log-in Instructions

Each person will be able to set their own unique password and username.

Upon entering the training modules site, you will find several modules. You are required to complete only Module 2 in order to receive the required 2 renewal credits. After completion of this module, a short certification assessment must be completed and a certificate can be printed.

To access the online training modules, log on to the website <http://jasonfoundation.com> and then follow these steps:

- On the home page, click “Educators, Youth Workers, Coaches”
- Click “Professional Development Series” on the left side of the page
- Select your state (in last paragraph)
- On Professional Development Series: South Carolina tab, click “View Courses”
- Choose “Two Hour Courses”
- Scroll down to Mental Health Issues Surrounding Suicidal Ideation (Module 2)
- Select the module you wish to view (Module 2)
- At the end of the module, each participant will have the opportunity to print a certificate of completion
- To access the staff development series in the future, login with the username and password you created

NOTE: In order to view the modules, click on “Full Screen” and you will be able to hear and view the modules.

If you have any problems accessing the online training site, please contact the person below.
