(cf. 5131 - Conduct)

(cf. 5131.2 - Bullying)

(cf. 5137 - Positive School Climate)

(cf. 5145.3 - Nondiscrimination/Harassment)

(cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction)

Examples of types of conduct which are prohibited in the district and which may constitute sexual harassment include, but are not limited to:

1. Unwelcome leering, sexual flirtations, or propositions
2. Unwelcome sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions
3. Graphic verbal comments about an individual's body or overly personal conversation
4. Sexual jokes, derogatory posters, notes, stories, cartoons, drawings, pictures, obscene gestures, or computer-generated images of a sexual nature
5. Spreading sexual rumors
6. Teasing or sexual remarks about students enrolled in a predominantly single-sex class

12. Electronic communications containing comments, words, or images described above

Any prohibited conduct that occurs off campus or outside of school-related or school-sponsored programs or activities will be regarded as sexual harassment in violation of district policy if it has a continuing effect on or creates a hostile school environment for the complainant or victim of the conduct.

Reporting Process and Complaint Investigation and Resolution

Any student who believes that he/she/they have been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her/their teacher, the principal, or any other available school employee. A report may be verbal or in writing. A written report may be in any form and not on an official District complaint form, per se. School administrators and employees are to treat a verbal with the same weight and formality as they would a written report. Within one

school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her/their observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

If a complaint of sexual harassment is initially submitted to the principal, he/she/they shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Confidentiality

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her/them that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but

requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

(cf. 5125 - Student Records)

Response Pending Investigation

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her/their options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her/them. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.
