

After School Sports

Santa Barbara Junior High School

What is After School Sports?

We are a school district funded after school sports program that will train your child in preparation for games against the other three local junior high schools. After School Sports is designed to introduce team sports to our students. All students who attend practices will play in games. Each local junior high school will field a sports team for five weeks with two home games and two away games versus the local junior high schools. The sports are coached by local teachers and coaches approved by your local junior high school. Transportation is provided by the school district. It is a completely free program for all junior high school students in the Santa Barbara School District.

A 5-week sports program

We will practice after School 2:45pm-3:45pm / Wednesday Game Times: 3:30pm - 4:30 pm
Parent Pickup could be expected to occur for visiting teams at around 4:45pm at their home school site. Only parents of a student may pickup their child from the visiting game location.
