

Valiant Weekly

Created by the 2018 - 2019 ASB Executive Office

Open House

On Saturday, November 10th, the high school held its annual open house. Over 100 families attended the event and were led by student ambassadors. The families were not only given private tours, but were introduced to almost every team on campus. The future Valiants were guided into the gym and listened to the school's Marching Band, Jazz Band, Theatre, and Choir. They were also given special performances by the Cheer Team, Dance Team, and Chinese Culture Club, which performed a traditional Chinese dance during the event. The entire affair held within the gym was led by freshman, Diane Kabukuru, and senior, Christian Garcia, which provided the function with energy in the form of quirky jokes and spirit.

The day was nothing less than successful. Many smiles were seen throughout the campus from the visiting students. We can't wait to see these friendly faces next year in Valiant gear!

Thanksgiving

Next week is Thanksgiving break! The Valiants are off from November 19th to the 23rd in celebration of Thanksgiving. We encourage all faculty members and students to have a blessed week off and remember all that they are grateful for. We asked some students what they are most looking forward to. Here are some of their responses: "I am excited for uniting with my family," says Junior, Arvi Coro, "especially those who are coming from San Diego. I haven't seen them in six months, so I am really excited. But we don't have turkey, we're having a big chicken!" "I am also excited to spend thanksgiving with my family," says senior, Daniela Bolanos, "I usually help my mom cook for my family. It's my favorite part of the holiday." Our Valiant community is eager to start off their break! Remember this holiday's importance: to be thankful for what we have, for the family we love, for the friends we cherish, and for the many blessings that will come. We wish you a very happy and blessed Thanksgiving!

High School Musical Auditions

Attention Valiants! The High School Musical cast auditions will take place from November 26th - November 30th. If you're having doubts whether you will make it or if you should even try out, remember that it doesn't hurt to try for something and it is an experience you will never forget.
