Mrs. Altamirano
Ms. Brown
Mr. Ochoa
Ms. Sullivan
Ms. Bautista
Ms. Breslin

Teachers asked if they could wait on required courses to later during the upper classes in order to add electives in the beginning freshman and sophomore years

Math scores have gone up trending upwards in math

We are currently looking into Increasing dual credit and looking into not testing classes (ex AP)

Math classes how are the dual math classes going?

Econ classes for math would be good elective

Tech school smart for Daley And The Star scholarship are DACA friendly

What classes will be offered for the elective fair

Political Science would be good

The band students in the band are playing instruments in the hallway; it is disturbing to the other teachers on the floor. We need to talk to the teachers who teach music.

We received 75 pairs of Homeless socks for selling 150 pairs of sold socks. The sold socks purchased 1 and ½ prosthetic limbs and the 75 pairs were donated to a Women and Children's center with the collected diapers, wipes, and products to help in the shelter.

Well club is working hard again trying to buy another well

35 baskets of food were distributed for Thanksgiving for the community that was collected by the Legacy Club.

New PAC/BAC is voted in and will be represented tomorrow.
