

ACADEMICS

Title	Category	Description
ACT/SAT Prep	Academics	Test prep and strategies for the ACT and SAT exams
Keystone Coaching	Academics	Students will get small-group support for upcoming Keystone exams.
Keystone Project Support	Academics	Students will get help in completing their Keystone projects. Time Commitment: May require after school attendance
NHS tutoring	Academics	This program allows students to seek out tutoring help from their peers.
Open Computer Lab	Academics	Silent work time with access to computers to complete school work.
Senior Thesis Support	Academics	Senior Thesis Support is an opportunity for students to meet with their specific senior thesis advisor to discuss research practices, requirements for the paper, help make a timeline or outline for completion or just have dedicated time to work on your paper. As a reminder, your advisor will not read or review your paper to help you edit or inform you of its status of passing or failing until it is completed and submitted.
Study Hall	Academics	The study hall at Franklin Towne allows students silent work time to complete assignments, make up work from absences, or prepare for future exams.
Tutoring	Academics	Teachers can schedule tutoring sessions for their students during an advisory period to help prepare for an upcoming test, provide help with a project, etc.
Writing Center	Academics	Staffed by an English teacher, an open period for students who need writing assistance for any of their courses.
