

COLLEGEWOOD

Elementary School

Dear Collegewood Families,

We hope that everyone enjoyed conferences. We are grateful that you took time to meet with your child's teacher to review grade level expectations and goal-setting. Thank you for your generous donations to our Cougar Booster drive. Your support has allowed us to provide a Chromebook to each student on campus allowing them to access learning websites, Google Classroom, and other online learning resources.

On October 31st we will be hosting our annual Costume Parade! The parade will begin at 8:45 AM. Please review the information below regarding details for that day. We know this is an exciting time for our students and we want to honor instructional time that day while still providing our students time to share their excitement with classmates.

We hope you have a great month ahead. Please check out our website for additional information or stop by our office with any questions you might have.

Fondly,

Mary Wendland, Ed.D.

Halloween Costume Parade

As we prepare for Halloween festivities, I wanted to take some time to review our school-wide celebration and provide you with updated information you may need to make this a successful, joyful day for your child.

Students will be seated by class on the blacktop. Parents will be directed to the surrounding area to view the costume parade. This format will allow students to view one another's costume and allow parents the opportunity to see their child clearly. We trust that all of our families will work to make this a great event for our students and work together to ensure this event brings our learning community together.

Students can wear costumes over their regular school clothes to school. They will need to remove their costume after the parade.

☺ Students are not permitted to have any part of the costume covering his or her face.

☺ Students are not permitted to bring any toy accessory with them to include, but not limited to: guns, swords, knives, blades etc...

☺ All costumes must be appropriate for school and may not include face paint.

☺ Students must be wearing closed-toed shoes appropriate for outside play as indicated in the parent handbook

This is not a designated party day, hence, students will resume thematic learning in their classrooms.

We appreciate your cooperation. Please keep in mind that adults are not permitted to use student bathrooms at any time. We look forward to sharing our students' enthusiasm on **October 31st at 8:45 AM.**
