

Hello to all,

Please try to attend the next meeting as we are entering the summer time and there will be things we need to get covered before vacations fully kick in. I do know of sporting events going on May 21st but we have seen a lack of participation by some groups, so with that said, coaches/administrators please check on your reps to make sure they are attending.

Finally, I want to let everyone know the compliments we have been getting from the community regarding how happy people are seeing all the groups working together. The businesses are also happy to not be bothered on a constant basis for donations. We will make every effort to continue to improve this organization so at anytime if you have an idea or suggestion please bring it up. Thanks for all of your dedication and "GO LOGGERS".

Dan

Loggers United Booster Club Minutes

April 23rd/ 5:30 PM / PHMS IMC

Attendees

Dan Virnig, Heidi Halmstad, Eric Olson, Nykki Williams, Blake Edwards, Kristin Harper, Sarah Socha, Jodi Podmolik, Kathy Haberman, Steve Precour, Nicole Weik, Mike Eggebrecht, Jan Mealman, Alissa Weinberger and Christy Hlavacek

Agenda

Call to order

Approve March Minutes-Weik/Haberman-all in favor

Treasurer report-Tingo not present, but sent Williams the current info & amounts:

Checking: \$7,742.04

Savings: \$20,209.04

Items paid for: Sign Studio for track system \$908.72, Visa bill \$10.00 and Skills USA \$500.00

Motion to approve Harper/Podmolik-all in favor

Bylaws-bylaws were emailed out to everyone with new updates-please be sure to read them, we have new procedures implemented beginning at this meeting

Meeting w/ Rick Morgan-Virnig spoke to Rick about having a website within the school website, Harper talked to Trevor Raskie and will be working with him to get it set up-need to create a google docs folder to put a link

Representative Updates (all groups required)

Wrestling: Kayley Upson took 1st place representing Team Wisconsin

Academic: Finished up welding & will be leaving tomorrow for Skills USA

Girls BBall: Will be doing a tournament this summer

Ergebrecht discussed the shooting machine-need about \$6,000. It will be used for both boys and girls HS & MS

Swimming: Had 4 swimmers qualify for Regional meet. They had best times at the Regional meet after not swimming for a while.

Baseball: Played 2 games in Mauston

Football: Finalizing schedule & just purchased football game pants using the \$ earmarked last year from the Booster Club. The old game pants will now be used for their practice pants.

Scoreboard-Mike said it's in production will be here in a couple weeks. We have to hire someone to install it after the ground dries up. We received their 10% profit from the chili feed.

Trap Shooting: Had 5 shooters hit 25. For the first time they are putting on a shoot in Harshaw-they are going to split with them. It will be on May 18th & 19th with 10-12 stations. They will have 38 shooters, half from Phillips and the other half from Park Falls-Chequamegon will be providing the vans for the trip.

Track: May 1st will be a middle school meet. Meet dates: 7th, 14th and 17th. The new timing system is here! They are still trying to get it all figured out. They hired out for the conference meet.

Powerlifting: Pictures taken & had their banquet. Kenzie interviewed for an upcoming article in the paper. The season is all wrapped up.

CC: Setting up for next season. June 29th will be the potato feed this year. Timing system-hoping to use next year & hoping to host sectional meet in the future with the new system.

Potato Feed-Booster Club will buy gift certificates from sponsors. Donation tickets cost \$3 and they usually get around dozen prizes and one big prize. Discussed the issue of asking for money & donations and sponsorships. Motion Halmstad/Harper-all in favor for up to \$100 to CC for prizes for the potato feed

Softball: 7 weeks of practice in. Game moved to Phillips tomorrow-if we get umpers. Blake brought in a few softball posters from Art Burkhard and wanted it to be brought up that

Art would love to be asked to do this for other teams. Also, he brought 10% profit from the 50/50 raffles from basketball season. Jeff Spacek will be installing a pitcher fence as soon as it's nice out.

Banner track system-should be up soon-the school has it

The 2 new bikes have arrived-we still need a secure location to place them

We need to get pictures of the timing system & the new bikes

Committee updates/reports-none at this time

Fundraising-we have a raffle license class A & B so if anyone wants to do a raffle let us know

Youth football registrations: Asked if we are willing to help pay for kids that can not pay. Do we want to help youth football? We would rather them ask for a job to help pay for it. Virnig offered to help by hiring them to clean up at his business.

Swim club (revisit request) Swimming is looking to purchase new blocks total cost is \$11,712. They have been earmarking money for a while. Aquatic Foundation donated \$1,000.....still need \$6,733. They have \$8,000 in savings. This past season they had a loss and only had one home meet last year. Harper made a motion for \$500.....discussed it and decided to table the motion until next meeting

Williams passed on a message from Dave Scholz that Amy Edwards & Cheri Tingo will be representing PES for future meetings

Virnig will send a letter through google docs about our accomplishments thus far which will be mailed out followed by our new sponsorship forms

Adjourn-Haberman/Weinberger-all in favor
