

The Special Education Intake Center has moved.

New Location:

**The Adult Education Center
70 Bright Street**

Jersey City, New Jersey

Tel: 201-915-6506

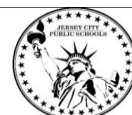

The Department of Special Education is expanding our collaborative efforts with the Department of Programs and Services. The new and improved Intake Center will provide the following services.

- *The Intake Center will facilitate in registering Special Education students Preschool age 3 through grade 12 in order to enroll the child in the appropriate program at their home school, or as close to home as possible.*
- *The Preschool Referral & orientation center will collaborate with various Early Intervention Agencies regarding referrals for district evaluations at the students' home school. The goal is to connect the family to their home school's community.*
- *The Department of Programs and Services will provide parents with information on the wide range of programs and services available in the district for their child.*

Please bring the following documentation with you:

- *Proof of age/grade (birth certificate, transfer, and report card).*
- *Proof of residency (recent receipt, tax bill, or gas and electric bill).*
- *Medicaid number if student is eligible.*
- *Health records*
- *Proof of eligibility for Special Education (IEP, Evaluations).*

All students must be accompanied by a parent/guardian. If the guardian is not the parent, proof of guardianship is required.
