

One way drop off pattern 7:15 to 7:55 am

One way pick up pattern 2:20 to 4:00 pm

DO NOT DROP OFF OR PICK UP in any of these areas for the safety of all students and staff.

Drop off and Pick up area—This is the ONLY area!

All cars are to follow this pattern and drop off or pick up students here ★

Do not go around cars or allow your child(ren) to walk to your car other than the

★ Area!

Families are not to enter and park in pick up and drop off area or parking lot. Before school ends. Waiting for your child in this area holds up traffic. Parking in the parking lot becomes dangerous when trying to reverse into traffic.

Please be patient for the safety of all students!
