Phone: (562) 229-7745

Dear Whitney Alumni,

The events at Stoneman Douglas High School in Parkland, Florida have caused us to reflect upon our own school's Comprehensive Safety Plan. In recent days we have received valuable feedback from students, parents, staff, and the ABC Unified School District regarding campus safety. In an effort to further ensure the safety of our students, the School Safety Committee has recommended the following procedures to be implemented beginning Monday, April 9th:

- All alumni wishing to visit the Whitney campus must make an appointment in advance with a teacher or staff member that he or she wishes to visit.
- Upon arriving to the Whitney campus alumni are expected to check in with the main office where he or she will be asked to show photo identification to office staff before being allowed to go to the classrooms.
- The teacher with whom the appointment has been made will escort the alumni to the class and back to the office at the conclusion of the visit.
- Alumni visits will be limited to class time or after school. Visitors will not be permitted to walk the campus during snack and lunch breaks.

We look forward to the visits from our alumni and hearing their stories and learning of their successes. We appreciate your cooperation, understanding, and support as we implement these safety changes for our campus.

If you have any questions please contact our main office.

Sincerely,

Craig Spratt
Dean of Students
