

St. Genevieve Parish Schools Weekly Newsletter

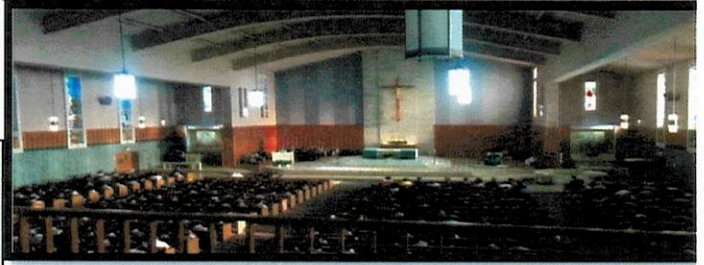

Issue Date: Friday, September 6, 2019

Thank you to all the parents who came out for our respective Back to School Nights! On the left, High School Science teachers meet new freshmen parents. On the right, 5th grade teachers explain the new things that await students this year!

*****Reminder*****
The school can no longer accept credit card payments over \$100 due to the fees credit card companies charge.

Elementary students fill the church at our first 1st Friday Mass of the Year! The choir sang, and 4th grade prepared the readings, while the entire school got to sing and participate in the liturgy. This picture taken from the balcony shows what a beautiful church we have!

Important Calendar Dates:

- 9/8 Hollywood Bowl/ Report Time 4pm (Gr. 7-12)
Please label your coolers and the items that you brings, so we can be sure they are returned back to you.
- 9/9 No School (K-12)
- 9/10 Room Parent Meeting @ 6pm – Music Room
- 9/12 Kathy Buckley – Night School Speaker
- 9/13 Middle School Electives Start
- 9/21 Heal the Bay Beach Clean Up (More Info coming)

PROGRESS REPORTS/GRADES

Five week progress reports will go home the week of September 16, 2019 (That's just a week away) Please be sure to check Gradelink (ES) and Aeries (HS) over the week end so you're on top of your students' grades and they complete any missing work prior to the 5th week mark. This applies whether they are in 1st grade or 12th grade.

Questions about logging onto Gradelink?

E-mail your homeroom teacher

Questions about logging onto Aeries?

E-mail your child's counselor

Grades 9/10: Mrs. Alvarez (alvarez@sgps.org)

Grades 11/12: Mr. Bencomo (bencomo@sgps.org)

Questions about grades/assignments?

Talk to your child and e-mail the appropriate teacher.

** PICTURE DAY**

High School: Monday, September 16
(Daily Uniform)

Elementary: Tuesday, September 17
(Formal Uniform)

Chocolate Sale

Help the school raise money and sell a box of chocolate. Contact the ES office at 818.892.3802
Chocolates are delivered on Monday, September 10

SEPTEMBER 11

PLEASE BE ADVISED THAT TEACHERS & THE SCHOOL WILL BE ADDRESSING 9/11 IN GRADE LEVEL APPROPRIATE MANNERS ON 9/11. IF YOU WISH FOR YOUR CHILD TO NOT BE PRESENT FOR THIS, PLEASE NOTIFY THEIR TEACHER.

AP Biology students learn how to extract DNA from a Strawberry in this lab experiment. Dedicated AP students come back to school a week earlier than the rest of campus to get a jump start on their college level classes.
