COLLEGE STREET, GREENEVILLE, TN 37745 Application/Service Agreement & Account billing info CALL: Recorder's Office 423-639-7105 FAX 423-639-0093; If you have any questions about particular waste items, refer to the Tennessee Rule Chapter 1200-1-7 of the Solid Waste Processing and Disposal Regulations or call the State TDEC office in Johnson City (423-854-5400) or call the landfill 423-639-4416.

Greenville/Greene County Transfer Station/Landfill

Compost Pad Leaves and grass clipping are composted at the compost pad at the landfill. Leaves and grass clippings are the only items allowed on the compost pad. Leaves and grass clippings must be removed from bags at the compost pad.

Grinding Pad All brush must be taken to the grinding pad. Nothing else other than brush is allowed on the grinding pad. Lumber, painted wood, stained wood, wood furniture must be taken to the demolition landfill.

Class IV Landfill (construction and demolition) The only items allowed in the Class IV landfill are the actual building materials and containers in which they are shipped. No asbestos, liquids of any kind, garbage, or any hazardous or special waste is allowed in the Class IV landfill. Furniture is also allowed in the Class IV landfill. (Automobile seats are not considered as furniture).

Class I Landfill (all items run through the transfer station) The items accepted here are any other items not included in the compost pad, grinding pad, and Class IV landfill. No liquids, hazardous waste, special waste (unless approved and documented by the State), batteries, gas tanks or containers, or tires are allowed in a landfill.

Tires Call Greene County Solid Waste Department 423-798-1794 for appointment. Tires are accepted by appointment only.

Metal If metal is included in your waste stream, you, or your hauler, will be required to put metal in our metal bins.

Please separate and haul according to the aforementioned categories. If brought to the landfill mixed, you will be required to sort, dispose of, and re-weigh the waste for each category, or, the load may be refused and sent back to you.

If you have any questions about particular items, refer to the Tennessee Rule Chapter 1200-1-7 of the Solid Waste Processing and Disposal Regulations or call the State TDEC office in Johnson City (423-854-5400) or call the landfill (423-639-4416).

Not acceptable for landfill Tires, liquids, any batteries, mercury-containing lamps, lighting ballast, pressurized vessels, gas tanks and containers, freezers, refrigerators, air conditioners, asbestos, and electronics are not accepted in the landfill. This is by no means a complete list. Refer to the aforementioned paragraph for clarification of any particular item not listed.
