Dear Parent/Guardian:

Dr. Richard Fuller's Coaching Service, in cooperation with Lansdale Catholic High School, announces an SAT/PSAT Preparation course, which not only will help prepare all students for SAT/PSAT Examinations, but will also cover general test-taking strategies relevant to standardized examinations.

This course has been designed to meet the needs of all students preparing to take the SAT/PSAT in the coming year. Moreover, freshmen and sophomores will also benefit by becoming aware of areas that require additional attention when preparing for the SAT/PSAT's. Course content will deal with particular strategies for the mathematical and verbal portions of the SAT/PSAT. Students will have the opportunity to take both a full-length pre and post SAT/PSAT test that will diagnose the areas of need for each student. Then the student will receive three hours of training for each of the nine sessions (27 hours total), divided evenly between mathematical and verbal concepts. Both verbal and mathematical homework will be assigned for each successive daily session. After the training, all students will take a post-test to determine the effectiveness of the training and to determine what additional concerns should be addressed in the future. **There is a MAXIMUM student:teacher ratio of 8:1 in mathematics so that each student receives a more personalized training regiment.**

Included in the cost of the full course are pre and a post **MOCK SAT/PSAT EXAMINATIONS**. For the Fall session, the pre-test will be administered Wednesday, October 3 at 6:00 pm, and the post-test Tuesday, October 23 at 3:30 pm, at Lansdale Catholic High School. Spring testing dates will be Tuesday, February 19, 2019 at 6:00 pm and Wednesday, March 13 at 3:30 pm. All tests will come with a full analysis of both the verbal and mathematical sections of the test. All classes and tests will be held at Lansdale Catholic High School.

To Register

Interested students should complete the registration form on the other side of this paper. The total cost of the course including all handouts and textbook is \$575.00. Both the completed registration form and a check are requested to enroll in this course. If you want the student to take only the practice test, then the cost is \$40.00 per - test. **** If you have already taken this course and have paid the FULL PRICE, then you can retake the entire course at a later date for \$300.00.** If a student retakes the full course, then they will experience different problems that will address more advanced concepts. **All checks should be made payable to Dr. Richard Fuller and mailed to this address:**
