Each Board needs to compile a list of questions. Mr. Bordi took a Straw Poll to continue the feasibility discussion. In favor to continue was 4 to 2 with a few on the fence.

Mr. Mango suggested doing a roll call vote.

PUBLIC COMMENT/QUESTIONS ON AGENDA ITEMS

- Mr. Kevin O'Neill, a Hackettstown resident thanked the Board for all that they do for the students. He stated he attended the joint Board Meeting in Great Meadows last month. Mr. O'Neill reviewed the documents to support Mr. Hesper's report. He feels there are several inconsistencies. Mr. O'Neill said the capacity numbers do not match up to what the feasibility study shows. He said it appears that it may take until 2024 or 2025 before the district reaches functional capacity and student population continues to decline. (A copy of Mr. O'Neill's comments and spreadsheet are attached to the minutes).
- Mr. Robert Pace, an Independence Township resident, asked where the entire video was from the joint Board Meeting between Hackettstown and Great Meadows.
- Mr. Mango replied that Mr. Morsillo and Mrs. Tomasini were able to piece it together.
- Mr. Morsillo stated there are two videos on the Hackettstown District website.
- Mr. Pace questioned if it is on the Great Meadows website also.
- Mr. Mango replied that it is only on the Hackettstown website since Great Meadows doesn't tape their meetings.
- Mr. Pace wanted to know what the Corrective Action Plan was.

- Ms. Woicekowski explained that it is recommendations from the recent audit and corrections that need to be made.
- Mr. Pace asked the status of the re-registration.
- Mr. Mango replied that as of 12/13/17, of the 16 that were outstanding, 9 students do not have paperwork. Residency officer confirmed that they do live in town. Seven (7) of these submitted at least one document that proved they live in town. The 9 students would be considered homeless and we would have to educate them anyway. Mr. Mango reiterated that 100% of the student population are residents of Hackettstown.
- Mr. Pace asked what the new shared security would cost the district.
- Mr. Mango replied that it would cost Great Meadows \$13,000.00 from January to June 2018.
- Mr. Pace asked about Hackettstown School District renting Liberty School.
- Mr. Mango replied that in order for that to happen, one or both Boards would have to decide they would not like to explore the feasibility study. Then Great Meadows would have to close Liberty School and RIF (Reduction in Force) all staff. Mr. Mango stated that Hackettstown School District would need to decide if they want to go out for a referendum. He said the board would have to decide if they will transport Hackettstown students to Liberty School.
- Mr. Pace, stated he does not want to be locked into the feasibility study and as a taxpayer he would like to close Liberty School.
- Mr. Bordi replied that points may come up in further discussions surrounding the feasibility study.
- Mr. Burke reiterated that this is just a study. We are not locked into anything. We need to keep our options open.
- Ms. Fadia Hindi, a Hackettstown resident, asked if the committees for the feasibility discussions would include community members.
- Mr. Bordi replied that community involvement along with council members will be part of the committees.
- Ms. Hindi also noted that in the November meeting the Mayor noted different numbers than Mr. Hespe indicated. Ms. Hindi told the Board she would like to be a part of the committees.
- Mr. Mango replied that our numbers and our student enrollment numbers are what we stand by. They "are" the numbers. The 2nd demographic study has us at 1993 at the end of next year and we are already at 1992. Mr. Mango stated if the feasibility study is not accepted, Hackettstown seriously needs to look at grade based schools as an option.
- Mr. Toscano stated that the census looks and analyzes different pieces. Districts use demographics for Long Range Facility Plans, forecasting Referendums and Bonds. It looks at anticipated enrollment and school age children and prepares for children who are coming into the district.
- Ms. Hindi stated that Mr. Mango has said several times that moving the line is not an option.
- Mr. Mango replied that moving the lines is just not that simple. You cannot just go in and hand pick students to put in classes. Mr. Mango said there are 1064 students in K-8. By Grade level, Kindergarten has the largest classes with 135 students. 1st grade – 111; 2nd grade – 121; 3rd grade – 119; 4th grade – 119; 5th grade – 99; 6th grade – 123; 7th grade – 115; 8th grade – 102. Mr. Mango said numbers now in schools are Hatchery Hill – 371; Willow Grove – 250; Middle School – 442. He stated with the study, as it relates to Hackettstown, the numbers would be Willow Grove (K-2) - 367; Hatchery Hill (3-5) – 337;

and Middle School (6-8) – 340 after the distribution realignment. Mr. Mango said the issue is the Middle School and not having enough staff members we need due to budgetary constraints. He said the average class size is 5th grade – 24.7; 6th grade – 30; 7th grade – 28.7; and 8th grade – 25.5.

- Ms. Hindi stated she called Real Estate agents and some of their comments included that it will not help.
- Mrs. Lisa Strutin, an Allamuchy resident, spoke about the sharing of Steve Speirs as Director of Security between Hackettstown and Great Meadows. She inquired about security staffing plans at both districts and state requirements.
- Mr. Mango said it is on the agenda tonight to approve Mr. Speirs as a Shared Director of Security for Great Meadows and Hackettstown. He stated with all the savings, it is possible to bring back some security next year. Mr. Mango said security is needed for drop off and pick up times at Hatchery Hill, Willow Grove and Middle School.
- Mrs. Strutin commented she was glad to see security at the State Game. She also asked that a Honeywell alert be sent out reminding parent's future security meeting dates.
- Mr. Mango replied that the security meetings will be after the Re-Organization meeting in January.
