When a student owes money for five (5) or more school food program meals, the District shall make at least two (2) attempts to contact the student's parent/guardian and will refer the parent/guardian to the District's website, which provides options for obtaining an application for free/reduced-price school meal benefits to the parent/guardian to apply for benefits under federal school meal programs. The District may offer assistance to parents/guardians with applying for free/reduced-price school meal benefits.[\[3\]](#)[\[20\]](#)[\[21\]](#)

This policy and any applicable procedures or administrative regulations regarding school meal charges and school meal accounts shall be communicated annually to school administrators, school food service personnel, other appropriate school staff, and contracted food service personnel via the District website.
