March 12, 2020

Dear Parents and Families,

We understand the situation with the Coronavirus is fluid and changes constantly. We appreciate your patience as we gather information from the State Department of Education and the Department of Health to make the best decision for our students and staff. We realize many of you will be traveling for Spring Break and urge you to follow the precautions sent out by the Department of Health and the CDC when returning from vacation.

Individuals returning from travel to China, South Korea, Italy, Iran, Japan or any other [Level 2 or 3 country](#) as identified by Centers for Disease Control and Prevention (CDC) should self-quarantine for a period of 14 days before returning to school. This applies to all students, teachers, and other school or district staff.

Steps for returning travelers from Level 2 or 3 countries:

1. Take your temperature with a thermometer two times a day and monitor for fever. Also watch for cough or trouble breathing.
2. Stay home and avoid contact with others. Do not go to work or school for this 14-day period. Discuss your work situation with your district before returning to work or school.
3. Do not take public transportation, taxis, or ride-shares during the time you are practicing social distancing.
4. Avoid crowded places (such as shopping centers and movie theaters) and limit your activities in public.
5. Keep your distance from others (about 6 feet).

Please refer frequently to the CDC [Travelers Guidance](#) as other countries may be elevated to Level 2 or 3 at any time.

We are committed to keeping you informed and working with you to keep our school community safe.

Sincerely,

Toby L. Ringwald

Superintendent of Schools
