Information on registering your choice:
The PowerSchool portal forms are now available for you to fill in.

If you do not have a Powerschool account please email me at help@ncsd.k12.ca.us or call your school office.
We would appreciate your attention to the Distance Education form. It is imperative that we collect this data so that we can schedule our students into classes. We will close the one form down on Friday morning at 8am - if you do not respond we will assign your child to the cohorts as outlined before. The rest of the forms will always be available to you any time. Please take a moment to fill out the one form at this time

If you are unable to do it online - we can do it for you! You can call the school office during regular office hours.

Thank you and have a wonderful day!
