Dear Community Member,

Because of your role within the community, you have been recommended as a potential board member for Meridian World School, a public, tuition-free, K-12 charter school currently serving 1700+ students from Williamson County. First established in 2011 with 680 students in K-8th grades, the school has almost tripled in size.

As a public charter school, we are a 501c3, and while we operate much like a traditional public school: tuition-free, open-enrollment, strong academic and financial accountability to the State of Texas; our foundation is a written charter that outlines the curriculum direction and serves as our contract with the state of Texas. We are limited in capacity and use a lottery system for entry. A wait list is maintained that exceeds 2200 students this year, demonstrating the desire for choice amongst families in Williamson County.

Enclosed you will find a packet that includes more information about Meridian. You may also be interested in visiting our website, www.mwschool.org for an in-depth description of our inquiry-based curriculum using the International Baccalaureate (IB) framework for Primary Years Program (K-5), Middle Years Program (6-10) and Diploma Program (11-12).

Meridian's Board of Directors has seven members selected from the Wilco community. Day-to-day administration of the school is overseen by the Head of School (similar to a superintendent), Mr. Rick Fernández. The board nominating committee consists of the Board President, President Emeritus, Vice-President, parent leader and me, Karalei Nunn, Founder and COO of Meridian School.

We seek a diverse group of leaders with various backgrounds, professions, and passions to serve. Attached, you will find information specific to the type of leadership we are seeking in directors.

Completed applications should be submitted to board@mwschool.org. If you have any immediate questions, please feel free to call me at 512.660.5285. Otherwise, a member of the nominating committee will contact you within the next week. We hope that you will consider Meridian as an exciting opportunity to give back to your community and be a part of the leadership of an innovative public school movement.

Sincerely,

Karalei Nunn
Founder and COO
