'Kindness Tunnel' for Random Acts of Kindness Week

School District 4 staff and members of the community—representing the Village of Addison, Police Department, Fire District, Library, and Addison Trail High School — lined the entrances of Indian Trail Junior High, creating a “Kindness Tunnel” of music, smiles, and high-fives to greet students as they arrived for class. It was part of the school’s Project POP (People Offering Positivity) celebration of Random Acts of Kindness Week. Staff sponsors who work with Project POP throughout the year are Janelle Bledsoe, Christine Palumbo, and Elizabeth Regalado.
