

UA K-8 Families:

**(8th grade students enrolled in English I are required to complete the HS Summer Reading. Those assignments are located in the HS Summer Reading document.)**

We are excited to have you and your student to participate with not only UA's Summer Reading program, but also Scholastic's 20 for 20 Reading Challenge and Union County Public Library's Reading Program.

For grades K-8, we are using the Scholastic 20 for 20 reading program. This program gives the parents/guardians and students the opportunity to read together for 20 minutes each night for 20 days. This is a great time for you to read a book together or pick numerous books for you and your student to read. and spend time with your student enjoying each other in the realm of reading!!

Here is the link for the program, pledge and log to turn in:

<http://www.scholastic.com/bookfairs/articles/20for20>

Make sure to turn your log into your Homeroom teacher when you return to school on July 29, 2019.

Another great program that we are teaming up with this summer is the Union County Public Library's Reading program.

For our Pre-K kids, the books in the link below are great to read before Kindergarten to help you succeed!

<http://ucplnc.readsquared.com/>

(keep reading for K-8th)

For K-5th students, check out the bookmark design contest. Turn in your log to your homeroom teacher when you return to school on July 29th for a chance to win a prize from the media center.

<http://library.booksite.com/7309/nl/?list=CNL1&group=EB95>

For 6th-12th students, there is a chance to read and win prizes. Turn in your log to your homeroom teacher when you return to school on July 29th for a chance to win a prize from the media center.

<http://library.booksite.com/7309/nl/?list=CNL1&group=EB9>

As we are UA, this program is “on your honor.” We hope that students as well as parents will begin to see and reap the rewards of reading and interacting with each other. Please make sure that all logs are turned in and filled out to your homeroom teacher and at UCPL/Scholastic for additional recognition. I look forward to working with you through the journey of reading.

Enjoy your summer!
