Message from the Principal:

Dear Families,

At Northeast Elementary we are building a tradition of excellence with each passing year! We take pride in being a school where every student can find successes academically and socially. This success is built on the partnership we have with our families and with the Owasso community. In the years to come, we will continue to strive to be the type of school that our families can be proud to send their children to!

Our entire staff works to create a positive environment where every student's unique strengths and talents are celebrated. We have a culture of high expectations for students and staff alike. The combination of focusing on our students' academic successes as well as their social and emotional well-being creates an environment where our students have an extraordinary experience each year. We have a kind, caring, highly-qualified staff who truly believes that every one of our students can and will succeed!

The State Department of Education has adopted new state standards over the past year. The new standards are more comprehensive, complex and are better predictors of college and career readiness. For detailed information about our new standards please refer to the link provide by the State Department of Education.

I am proud to be part of the tradition of success that has been built over many years at Northeast Elementary. I am grateful to have the opportunity to work with you this year and I look forward to another great year ahead!

Go Rams!

Respectfully,

Mrs. Million
Northeast Principal
