Good luck to our basketball teams this week!

Stock Show  
Monday,  
January 21

1. Welcome back, everyone, and Happy New Year!!! I hope you all enjoyed a restful break full of family, friends, fun, and laughter. Believe it or not, the third six weeks and the first-semester ended on Friday, and the second semester has begun. Monday begins the busiest time of the year, and it offers a new beginning for us all. As you get ready for the second half of the school year, make sure you do what it takes to move towards something new, something good, and something successful. There's nothing like a clean slate to motivate us to be our best!
2. Students participating in the Beta Club Blood Drive must sign up in the office before school starts that day. Any required paperwork must be signed as well. Students should wait until they are called to donate blood. All donors should remember to eat a good breakfast that morning, drink plenty of fluids before and after donating, and eat a snack after donating as well.
3. Stock show exhibitors should sign in by 8 AM on show day in the office for attendance purposes. We will hold 1st-4th periods that day, and teachers may escort classes to the show. Students please double check with your teachers as to plans for class and make sure to check in with your teachers for attendance or class as instructed.
4. Students who won early lunch passes will receive them Wednesday. Thanks again for all your spirit!!!

“For a new year to bring you something new, make a move, like a butterfly tearing its cocoon! Make a move!”

- Mehmet Murat Ildan, Turkish author
