BROOMFIELD AIR QUALITY MONITORING PROGRAM

Installation of the City and County of Broomfield air quality monitoring stations at 18 locations provide important air quality metrics for the city. The installation occurred in phases starting November 16 through early December.

Join us to learn what this means for you and the city of Broomfield.

Wednesday, January 16

6:30 PM

Thunder Vista P-8 Cafeteria

3461 Preble Creek Parkway, Broomfield, CO
