

2019 FALL REGISTRATION OPEN

Why play for the NB JR Cougars...

- **SAFETY FIRST**– Safety is our #1 priority! Our coaches are trained with the USA football “Heads Up Football” program, TYFA, and have background checks.
- **No Weight Restrictions** - It isn't fair to deny or limit participation for larger than normal kids.
- **Character Development Program** - We use a program that involves both a verbal lesson as well as weekly e-mails and video clips.
- **Coaching** - We teach, sound fundamental football! This includes learning how to perform blocking and tackling safely, accelerating through contact, proper footwork and stances, steps, and finishing.
- **No Tryouts, No Drafts, and No Favoritism.** Every child will get evaluated fairly and gets the opportunity to play at any position.
- **Academic Trophy for Academic Success.** If your child makes straight A's (**Tykes and above**), while playing football or cheering, we will go to your child's school and present an Academic Trophy for Academic Success in front of their peers.
- **The opportunity to go Tour and Play, on the Dallas Cowboys Football Field at the AT&T Center in Dallas. Go see the Cheerleaders and Cowboys locker rooms and then Play and Cheer on the Field! Kids LOVE it!**
