## Drop Off & Pick Up

Please read through these procedures for morning and afternoon car lines. It has come to our attention that some may not be aware or have forgotten proper drop off and pick up procedures. For the safety of our students and families, it is VERY important that we all are utilizing the same procedures.

- In the morning, **starting at 7:30 a.m.** and for afternoon pickup, please **enter off of Louise Ave (dirt road), near Regions Bank NOT US1.** It is becoming dangerous to come in off of US1 after that time. **We should not have cars cutting in the existing car line at any time!**
- For morning and afternoon, please pull all the way up to cone number 1. This will allow more cars to have students entering and exiting.
- In the morning, please have students ready to exit the vehicle. If your child needs more time, or **they forgot an item at dismissal, please pull into a parking spot so our drop off/pick up line is continuous.**
- For PK/KDG drop off and pick up, please **DO NOT get out of the car.** We have staff and safety patrol to assist. If you need to get out of the car, please park in the parking lot.

Thank you so much for your cooperation.
