DDAA Clubs!

Club and Specials Schedules

I'm sending this first newsletter of the school year earlier than I usually do. Usually, I send out newsletters on Wednesday afternoons. However, there are some important tidbits I want each of you to know ASAP.

The specials schedule will be different this school year. Physical Education will be on Mondays and Tuesdays. Music will be on Wednesdays and Thursdays. Please make sure your students dress appropriately for PE. I usually make sure my daughter wears her athletic shoes on PE days. Usually she want to wear her cute boots☺. Those are reserved for music days and Fridays.

Club sign-up are no open. Sign-ups are due this Thursday (September 6th). Please note, we are changing music club for only grades 3-5. One day will be choir and the other day will be ukulele club. I've copied the following information from our website. This will give you all the information you'll need to get your students signed up for after school clubs. Please let me know if there are any questions. Thank you.

After-School Clubs for the 1st quarter will be starting soon. To access the applications, go to the main Arthur Academy website at www.arthuracademy.org, select your school icon and then click the link on your school's homepage (located on the right side).

Applications are due by Thursday, September 6th. Please submit one application per student (each student will need a separate application even if the parent/guardian is the same).

If you do not have online access, you can visit the school office and use a school computer to sign up or you may call the office coordinator at your school for help with this process.

Clubs participants are selected by random so if there are more applicants than seats available, we will hold a lottery. During the week of September 10th, parents will be notified whether or not their student(s) has been accepted. Notification will be done via email.

First Day of School – Tuesday, September 4th

School Gates open at 8:00 am

School begins at 8:15 am

School Communication

Please sign up for my Remind App. This app allows me to send updates directly to your text messaging inbox. Simply send a text to the number 81010. In the body of the message, type the following @mrluebk. If this doesn't work, email will work using

mrluebk@mail.remind.com.

Please let me know if there are any questions.

Parking Lot

Please stay with your vehicle in the parking lot. If you would like to walk your student into the school, please park along the street so our parking lot does not get blocked.

The dismissal process will take a little longer as we learn each of your faces and vehicles. The process will move along more quickly as the year progresses.

Thank you for understanding!

DDAA Information

Parent/Student Handbook

I want all our parents and families to be well aware of our policies. The Parent/Student Handbook can be found [here](#).

I would like to highlight a few items from the Handbook.

As an organization, we have a new Core Values Statement. *Our school community is a place where students, staff and families are valued and respected. We work together to provide a safe, welcoming environment in which all students thrive and love to learn.* This statement is very important to our organization. Please let me know if you feel like we are not being true to this statement.

Students can buy a school lunch or bring a cold lunch. The David Douglas School District provides the school lunch. If you choose to pack a healthy lunch for your student, remember that they do not have access to a microwave or refrigerator. Paid lunch: \$2.85 Reduced: \$0.00. Please fill out a Free Lunch Application [here](#) if you think you may qualify.
