2018-2019

Campus Improvement Plan

Armstrong Elementary

Campus Mission:

Recognizing the special and specific individual needs of elementary students, Armstrong Elementary School seeks to provide a positive and nurturing environment and flexible structure which enables children to grow and experience daily success. We will instill in each student a sense of community responsibility and the importance of life-long learning. This nurturing environment will foster risk-taking, individuality, and self-discipline, and will encourage children to realize their potential emotionally, socially, physically, morally, and academically.

*

Campus Vision:

For parents, teachers, and students to create a learning community where all children reach their individual potential

*

Strategic Objective:

We will continuously improve our system of learning to empower all students to grow as engaged learners and responsible citizens.

Campus Goal/Objective #1: *At Armstrong Elementary, 60% or more of all students in grades 3 and 4 will perform at the Masters level on STAAR in Math and Reading as evidenced by test results from Spring 2019.*

Campus Goal/Objective #2: *At Armstrong Elementary, 60% of all students in each grade level will meet or exceed their projected growth Measure of Academic Performance (MAP) in math from Fall of 2018 to Spring of 2019.*

*

Strategic Objective:

We will partner with families and community to ensure the physical, emotional, and social well-being of each and every student.

Campus Goal/Objective: *At Armstrong Elementary, all staff will use a variety of strategies and activities to ensure we are meeting the physical, emotional and social needs of every student.*
